

GCW standard indemnification clause

NOAA agrees to promptly consider and adjudicate any and all claims which may arise out of actions it takes pursuant to the provisions of this agreement, and to pay for any damage or injury as may be required by Federal law. Such adjudication will be pursued under the Federal Tort Claims Act, 28 USC 2671 - 2680, or under such other legal authority as may be pertinent. NOAA also agrees to consider and adjudicate any claims for damage or injury sustained by NOAA personnel in the performance of their official duties. Such adjudication will be made pursuant to the Federal Employees Compensation Act, 5 USC 8101 - 8193, or other such legal authority as may be pertinent.
