17  
18 UNITED STATES OF AMERICA,

19 Plaintiff,

20 v.

21 F/V NORTH WIND, Inc., *in personam*,

22 Defendant.

Civil No. 1:06-cv-00272-DAE-BMK  
IN ADMIRALTY  
CONSENT DECREE

23 I. INTRODUCTION

24 A. On or about July 1, 2005, the R/V CASITAS, a 145-foot research vessel owned  
25 and operated by F/V North Wind, Inc. ("Defendant"), ran aground on the reef near North Island  
26 at Pearl and Hermes Atoll, a part of the Hawaiian Islands National Wildlife Refuge, and which is  
27 also within the Papahānaumokuākea Marine National Monument (the "Incident"). At all  
28 relevant times, Defendant was the owner and operator of the CASITAS.

1           B. Defendant North Wind promptly responded to the grounding and cooperated with  
2 authorities from the State of Hawaii and the United States Government through the Incident  
3 Command Structure. As a result of the joint efforts of the Defendant, its insurers and  
4 contractors, on the one hand, and the State and Federal authorities on the other, the R/V  
5 CASITAS was removed from the reef.

6           C. The United States has filed a complaint in this civil action, alleging that the  
7 Incident posed a substantial threat of discharge of oil and the actual discharge of oil into and  
8 upon the navigable waters of the United States, and caused injury to, loss of, or destruction of  
9 natural resources, including the reef. The United States' Complaint alleges that the Incident  
10 caused the United States to incur Response Costs as defined herein. The United States also  
11 alleged that Defendant is liable for all such Response Costs. In addition, the United States  
12 alleged that Defendant is liable for civil penalties under the Clean Water Act ("CWA").

13           D. In addition, the United States also has potential claims for Damages, as defined  
14 herein, which are recoverable under the Oil Pollution Act ("OPA") or under state law.

15           E. In addition, the State of Hawaii (the "State") has potential claims for Damages, as  
16 defined herein, which are recoverable under the OPA or under state law. The State has not yet  
17 filed its claims and is thus not yet a party. Under this Consent Decree, the State will become a  
18 plaintiff for purposes of settling the claim.

19           F. The National Oceanic and Atmospheric Administration ("NOAA") the U.S. Fish  
20 and Wildlife Service of the Department of the Interior ("USFWS"), and the State have  
21 investigated the site of the Incident, as part of a Defendant-funded pre-assessment trip. Based on  
22 the data gathered during that trip, Plaintiffs estimated the amount and severity of coral reef  
23 harmed by the Incident, and estimated costs for monitoring recovery of the reef, and for projects  
24 intended to compensate for injuries to natural resources, including to coral. NOAA, the USFWS,  
25 and the State have determined that the amounts recovered as Damages under this Consent  
26 Decree are sufficient to provide for compensatory restoration for injuries to the natural resources,  
27 for monitoring of their recovery, and for the planning and oversight of the implementation of  
28 such restoration. Based on the data it gathered during that trip, Defendant disputed those

1 amounts, disputed the causal connection between the amounts sought in compensation and  
2 disputed jurisdiction for certain claims under OPA '90.

3 G. The Parties, without the necessity of trial or adjudication of any issues of fact or  
4 law and without any admission of liability by Defendant agree, and the Court finds, that this  
5 Consent Decree is fair, reasonable, and in the public interest.

6 Now, therefore, before the taking of any testimony, without the adjudication or admission  
7 of any issue of fact or law, and with the consent of the Parties,

8 IT IS HEREBY ADJUDGED, ORDERED AND DECREED as follows:

10 11. In consideration of the payments that will be made by Defendant pursuant to this  
11 Consent Decree, and effective solely upon Defendant's performance of its payment obligations  
12 as set forth in Section VI of this Decree, Plaintiffs covenant not to sue and agree not to assert any  
13 civil claims or causes of action against the Defendant pertaining to the Incident for (a) Damages  
14 or Response Costs under OPA, CERCLA, or state law, and (b) civil penalties under Section  
15 311(b)(7) of the CWA, 33 U.S.C. § 1321(b)(7). Plaintiffs reserve, and this Consent Decree is  
16 without prejudice to, all rights against the Defendant with respect to all matters not expressly  
17 included within this Paragraph.

18 12. Notwithstanding any other provision of this Consent Decree, Plaintiffs reserve the  
19 right to institute proceedings against Defendant in this action or in a new action seeking recovery  
20 of Response Costs, Damages, or injunctive relief based on: (i) conditions caused by the  
21 Incident, unknown to Plaintiff as of the date of lodging of this Consent Decree; or (ii)  
22 information received by Plaintiff after the date of lodging of this Consent Decree, and such  
23 conditions or information indicate that the Incident has resulted in injury to, destruction of, or  
24 loss of Natural Resources of a type or future persistence that was unknown to Plaintiffs as of the  
25 date of lodging of this Consent Decree, or that these previously unknown conditions or new  
26 information indicate that the Response Actions taken to date are not protective of human health  
27 or the environment.

28

1           13.     Effective upon Entry of the Consent Decree, Defendant and any of Defendant's  
2 successors, assigns, subrogees, subrogors, and insurers hereby covenant not to sue and agree not  
3 to assert any claims or causes of action of any nature or kind against the United States or the  
4 State with respect to any and all claims or causes of action arising out of, relating to, or  
5 pertaining to this Decree or to the Incident, including, but not limited to, any claims against the  
6 Hazardous Substance Superfund established under CERCLA or the Oil Liability Trust Fund  
7 established under OPA, and any claims for contribution under CERCLA or OPA. These  
8 covenants not to sue shall not apply in the event that the United States or the State brings a cause  
9 of action pursuant to the reservations set forth in Paragraph 12, but only to the extent that  
10 Defendant's claims arise from the same Response Costs or Damages that the United States or the  
11 State is seeking pursuant to the reservation.

12           14.     This Decree does not limit or affect the rights of Plaintiffs or Defendant against  
13 any third parties, not party to this Decree, nor does it limit the rights of third parties, not party to  
14 this Decree, against Defendant. This Decree shall not be construed to create rights in, or grant  
15 any cause of action to, any third party not party to this Decree.

16           15.     In any subsequent administrative or judicial proceeding initiated by the Plaintiffs  
17 for injunctive relief, recovery of Response Costs or Natural Resource Damages, or other relief  
18 relating to the Incident, Defendant shall not assert, and may not maintain, any defense or claim  
19 based upon the principles of waiver, res judicata, collateral estoppel, issue preclusion, claim-  
20 splitting, statute of limitations, or other defenses based upon any contention that the claims  
21 raised by the Plaintiffs in the subsequent proceeding were or should have been brought in the  
22 instant case; provided, however, that nothing in this Paragraph affects the enforceability of the  
23 Covenants Not To Sue set forth in Section VII.

#### 24                                   VIII. COSTS

25           16.     Plaintiffs shall be entitled to collect the costs (including reasonable attorneys'
