28 CONSENT DECREE – No. C 07-5172 JSW

1 **I. PARTIES**

2 This Consent Decree is made and entered into by and between Plaintiff, the United States of  
3 America, on behalf of the United States Coast Guard, National Pollution Funds Center, Oil Spill  
4 Liability Trust Fund ("OSLTF"), and the National Oceanic and Atmospheric Administration  
5 ("NOAA"); defendant MARITIME LOGISTICS, INC., *in personam*, owner of M/V MICHAEL  
6 UHL; defendant M/V MICHAEL UHL, *in rem*; and defendants ALAN CARPENTER and TRACY  
7 RAGSDALE CARPENTER, *in personam*, owners of P/C ALBION.

8 **II. INTRODUCTION**

9 A. In or about January of 2005, the towboat M/V MICHAEL UHL undertook and  
10 commenced the tow of P/C ALBION from a port in California.

11 B. At all relevant times, defendant MARITIME LOGISTICS, INC., was the owner of  
12 defendant M/V MICHAEL UHL, and defendants ALAN CARPENTER and TRACY RAGSDALE  
13 CARPENTER were owners of P/C ALBION.

14 C. On or about January 30/31, 2005, P/C ALBION, while under tow by M/V MICHAEL  
15 UHL, sank in the waters of the Monterey Bay National Marine Sanctuary ("The Sanctuary"), said  
16 waters comprising waters subject to the National Marine Sanctuaries Act ("NMSA") (formerly the  
17 Marine Protection, Research, and Sanctuaries Act), 16 U.S.C. §§ 1431-45, and also comprising  
18 navigable waters of the United States. The January 30/31, 2005 sinking of P/C ALBION is  
19 hereinafter known as the "Incident."

20 D. Plaintiff alleges that the Incident posed a substantial threat of discharge of oil and the  
21 actual discharge of oil into and upon the navigable waters of the United States, and caused the  
22 destruction of and/or caused the loss of and/or caused injury to the Sanctuary and its resources, and  
23 posed a potential substantial threat of the release of a hazardous substance into navigable waters of  
24 the United States. Plaintiff alleges that the Incident resulted in, *inter alia*, Response Costs and  
25 Damages as defined in the Oil Pollution Act of 1990 ("OPA"), 33 U.S.C. § 2701, *et seq.*, the NMSA,  
26 and the Comprehensive Environmental Response, Compensation, and Liability Act ("CERCLA"),  
27 42 U.S.C. §§ 9001, *et seq.*

1 E. Pursuant to OPA, 33 U.S.C. § 2701, *et seq.*, OPA Responsible Parties concerning,  
2 *inter alia*, vessels from which oil is discharged, or which pose the substantial threat of discharge, into  
3 or upon the navigable waters or adjoining shorelines or the exclusive economic zone of the United  
4 States, are strictly liable for all Response costs and damages specified in OPA.

5 F. Pursuant to the NMSA, 16 U.S.C. §§ 1431-45, any person who destroys, causes the  
6 loss of, or injures any sanctuary resources is liable to the United States for Response Costs and  
7 Damages and injunctive relief.

8 G. Pursuant to CERCLA, 42 U.S.C. §§ 9001, *et seq.*, CERCLA Responsible Parties  
9 concerning, *inter alia*, vessels from which hazardous substances are discharged, or which pose the  
10 substantial threat of discharge of hazardous substances, into the environment and/or navigable waters  
11 of the United States, are strictly liable for all Response Costs and Damages specified in CERCLA.

12 H. Concurrent with the lodging of this Consent Decree, the United States is filing a  
13 complaint seeking Damages and Response Costs that were and may in the future be caused by the  
14 Incident, and seeking injunctive relief.

15 I. NOAA has determined that the removal of the remaining portions of the hull and  
16 equipment of the P/C ALBION may not be feasible. Determination of the feasibility of removal and  
17 assessment of injuries and associated restoration planning are ongoing.

18 J. Pursuant to this Consent Decree, defendants collectively will pay to the United States  
19 the sum of \$1,600,000.00, as more specifically set out below, to address the claims of the United  
20 States resulting from the Incident.

21 K. The Parties, without the necessity of trial or adjudication of any issues of fact or law  
22 and without any admission of liability by Defendants agree, and the Court finds, that this Consent  
23 Decree is fair, reasonable, and in the public interest.
