XIII. COVENANTS NOT TO SUE AND RESERVATION OF RIGHTS

18. In consideration of all of the foregoing, including, without limitation, the cash payments pursuant to Paragraph 5 and the distributions that will be made on account of the Allowed Environmental Claims authorized pursuant to Paragraphs 4 and 7, and except as specifically provided in Paragraphs 21 through 23:

a. EPA covenants not to file a civil action or to take any administrative or other civil action against the Debtors (i) pursuant to Sections 106 or 107 of CERCLA, 42 U.S.C. §§ 9606 or 9607, and Section 7003 of RCRA, 42 U.S.C. § 6973, with respect to each of the Liquidated Sites; (ii) pursuant to Section 107 of CERCLA, 42 U.S.C. § 9607, with respect to the Settled El Dorado Claim; and (iii) for Prepetition civil penalties pursuant to the CAA, CWA, CERCLA, or EPCRA with respect to the Settled Bio-Lab Claim.

b. NOAA covenants not to file a civil action or to take any administrative or other civil action against the Debtors pursuant to Section 107 of CERCLA, 42 U.S.C. § 9607, with respect to the Diamond Alkali Site. With respect to all other Liquidated Sites, all liabilities and obligations of the Debtors to NOAA under Section 107 of CERCLA, 42 U.S.C. § 9607, arising from Prepetition acts, omissions, or conduct of the Debtors or their predecessors shall be discharged under Section 1141 of the Bankruptcy Code by the confirmation and effectiveness of the Plan of Reorganization.

c. The Commissioner covenants not to file a civil action or to take any administrative or other civil action against the Debtors pursuant to Sections 106 or 107 of

CERCLA, 42 U.S.C. §§ 9606 or 9607, Sections 7002 or 7003 of RCRA, 42 U.S.C. §§ 6972 or 6973, or similar state laws with respect to the Beacon Heights Site.

d. The covenants not to sue set forth in Paragraph 18 shall take effect on the Effective Date.

19. This Settlement Agreement in no way impairs the scope and effect of the Debtors' discharge under Section 1141 of the Bankruptcy Code as to any third parties (including any Governmental Units other than the Settling Federal Agencies and the Commissioner) or as to any Claims that are not addressed by this Settlement Agreement.

20. Without in any way limiting the covenants not to sue as set forth in Paragraph 18 (and the reservations thereto as set forth in Paragraphs 21-23), and notwithstanding any other provision of this Settlement Agreement, such covenants not to sue shall also apply to the Debtors' successors and assigns, officers, directors, employees, and trustees, but only to the extent that the alleged liability of the successor or assign, officer, director, employee, or trustee of any Debtor is based solely on its status as and in its capacity as a successor or assign, officer, director, employee, or trustee of any Debtor.

21. The covenants not to sue contained in Paragraph 18 of this Settlement Agreement extend only to the Debtors and the persons described in Paragraph 20 above and do not extend to any other person. Nothing in this Settlement Agreement is intended as a covenant not to sue or a release from liability for any person or entity other than the Debtors, the United States, the Commissioner, and the persons described in Paragraph 20. The Settling Federal Agencies, the Commissioner, and the Debtors expressly reserve all claims, demands, and causes of action, either judicial or administrative, past, present, or future, in law or equity, which they may have against all other persons, firms, corporations, entities, or predecessors of the Debtors (excluding

each of the Debtors as successor to any entity) for any matter arising at or relating in any manner to the sites or claims addressed herein.

22. The covenants not to sue set forth in Paragraph 18 do not pertain to any matters other than those expressly specified therein. The United States and the Connecticut Commissioner expressly reserve, and this Settlement Agreement is without prejudice to, all rights against the Debtors and the persons described in Paragraph 20 with respect to all other matters other than those set forth in Paragraph 18. The United States and the Connecticut Commissioner also specifically reserve, and this Settlement Agreement is without prejudice to, any action based on (i) a failure to meet a requirement of this Settlement Agreement; (ii) criminal liability; (iii) matters reserved in Paragraph 8 (Non-Dischargeability/Reservation Regarding Debtor-Owned/Operated Sites); or (iv) matters excluded in Section XVII (Excluded Matters). In addition, the United States and the Connecticut Commissioner reserve, and this Settlement Agreement is without prejudice to, all rights against the Debtors, their successors, assigns, officers, directors, employees, and trustees with respect to the Liquidated Sites for liability for response costs, natural resource damages (including natural resource damage assessment costs), and injunctive relief under CERCLA, RCRA, or state law for acts by the Debtors, their successors, assigns, officers, directors, employees, or trustees that occur after the date of lodging of this Settlement Agreement and give rise to liability under CERCLA, RCRA, or state law. As used in the preceding sentence, the phrase “acts by the Debtors, their successors, assigns, officers, directors, employees, or trustees that occur after the date of lodging of this Settlement Agreement” does not include continuing releases related to conduct occurring before the date of lodging of this Settlement Agreement.

23. Subject to the covenants not to sue set forth in Paragraph 18 (and the reservations thereto set forth in Paragraphs 21 and 22), nothing in this Settlement Agreement shall be deemed to limit the authority of the United States or the Commissioner to take response action under Section 104 of CERCLA, 42 U.S.C. § 9604, or any other applicable law or regulation, or to alter the applicable legal principles governing judicial review of any action taken by the United States or the Commissioner pursuant to such authority. Nothing in this Settlement Agreement shall be deemed to limit the information-gathering authority of the United States or the Commissioner under Sections 104 and 122 of CERCLA, 42 U.S.C. §§ 9604 and 9622, or any other applicable federal or state law or regulation, or to excuse the Debtors from any disclosure or notification requirements imposed by CERCLA, RCRA, or any other applicable federal or state law or regulation.

24. The Debtors hereby covenant not to sue and agree not to assert or pursue any claims or causes of action against the United States or the Commissioner with respect to the Liquidated Sites, the Settled Bio-Lab Claim, or the Settled El Dorado Claim, including, but not limited to: (i) any direct or indirect claim for reimbursement from the Hazardous Substance Superfund through Sections 106(b)(2), 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9611, 9612, or 9613, or any other provision of law; (ii) any claim against the United States, including any department, agency, or instrumentality of the United States, under Sections 107 or 113 of CERCLA, 42 U.S.C. §§ 9607 or 9613, related to the Liquidated Sites or the Settled El Dorado Claim; or (iii) any claims arising out of response activities at the Liquidated Sites. The foregoing covenant not to sue shall also apply to the United States' and the Commissioner's employees, successors, and assigns. Nothing in this Settlement Agreement shall be deemed to

constitute preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. § 300.700(d).

XIV. CONTRIBUTION PROTECTION

25. The Parties agree, and by entering this Settlement Agreement the Court finds, that this settlement constitutes a judicially-approved settlement for purposes of Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), and that the Debtors are entitled, as of the Effective Date, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), or as may be otherwise provided by law, for “matters addressed” in this Settlement Agreement. Subject to the last sentence of this Paragraph, the “matters addressed” in this Settlement Agreement, as that phrase is used in Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), include, without limitation, (i) claims by EPA or potentially responsible parties for response costs at or in connection with each of the Liquidated Sites and the Settled El Dorado Claim, and (ii) claims by NOAA or potentially responsible parties for natural resource damages for injury to NOAA trust resources (including related natural resource damage assessment costs) at or in connection with the Diamond Alkali Site. The “matters addressed” in this Settlement Agreement do not include claims against any of the Debtors for liquidated past response costs incurred by potentially responsible parties prior to the Petition Date and included in proofs of claim filed in any of the Bankruptcy Cases by potentially responsible parties with respect to any of the Liquidated Sites or the El Dorado Site.

26. The Debtors each agree that, with respect to any suit for contribution brought against any of them after the Effective Date for matters related to this Settlement Agreement, they will notify the United States and the Commissioner, as applicable, within fifteen business days of service of the complaint upon them. In addition, in connection with such suit, the

Debtors shall notify the United States and the Commissioner, as applicable, within fifteen business days of service or receipt of any Motion for Summary Judgment and within fifteen business days of receipt of any order from a court setting a case for trial (provided, however, that the failure to notify the United States or the Commissioner pursuant to this Paragraph shall not in any way affect the protections afforded under Section XIII (Covenants Not to Sue and Reservation of Rights).

XV. RETENTION OF RECORDS

27. Until ten years after the Effective Date, each of the Debtors shall preserve and retain all non-identical copies of records, reports, documents, and other information (including records, reports, documents, and other information in electronic form) (hereinafter referred to as “Records”) now in its possession or control or which come into its possession or control that relate in any manner to (i) response actions taken at any of the Liquidated Sites or Debtor-Owned/Operated Sites, or (ii) the liability of any person under CERCLA, RCRA, or state law with respect to any such site. The above record retention requirement shall apply regardless of any corporate retention policy to the contrary.

28. At the conclusion of the record retention period provided for in the preceding Paragraph, the Debtors shall notify the United States and the Commissioner at least ninety days prior to the destruction of any Records described in the preceding Paragraph, and, upon request by the United States or the Commissioner, the Debtors shall deliver any such Records to the Settling Federal Agencies or the Commissioner. The Debtors may assert that certain Records are privileged under the attorney-client privilege or any other privilege recognized by federal law. The Debtors shall retain all Records that they claim to be privileged until the United States and the Commissioner have had a reasonable opportunity to dispute the privilege claim and any

such dispute has been resolved in the Debtors' favor. However, no Records created or generated pursuant to the requirements of this or any other settlement with the United States or the Commissioner shall be withheld on the grounds that they are privileged or confidential.

XVI. LAUREL PARK SITE

29. Notwithstanding any other provision of this Settlement Agreement, the Debtors that are parties to the Laurel Park Consent Decree shall comply with all obligations, and retain all rights, of the Debtors under the Laurel Park Consent Decree. The Debtors' obligations under the Laurel Park Consent Decree, including the Debtors' obligations under that Consent Decree to perform work and reimburse response costs of the United States and the Commissioner, shall not be impaired in any way by the Bankruptcy Cases, confirmation of the Plan of Reorganization, or this Settlement Agreement. Nor shall anything in this Settlement Agreement or the Plan constitute a discharge of any obligations of the Debtors at or in connection with the Laurel Park Site.

XVII. EXCLUDED MATTERS

30. This Settlement Agreement shall not affect any causes of action or defenses the Parties may have with respect to (i) the Gowanus Site, or (ii) matters not expressly specified herein, including, but not limited to, the liability of the Debtors, if any, to the Settling Federal Agencies or the Commissioner with respect to any site that is not a Liquidated Site or Debtor-Owned/Operated Site. For the Gowanus Site and all matters not expressly specified herein, the Settling Federal Agencies and the Commissioner shall have those causes of action against the Debtors that they would have had if this Settlement Agreement had never been made, and the Debtors shall have whatever defenses they would have had, including defenses based on the Bankruptcy Code or Bankruptcy Cases, if this Settlement Agreement had never been made.

XVIII. NOTICES AND SUBMISSIONS

31. Whenever, under the terms of this Settlement Agreement, written notice is required to be given, or a report or other document is required to be sent by one Party to another, it shall be directed to the individuals at the addresses specified below via U.S. certified mail, return receipt requested, unless those individuals or their successors give notice of a change of address to the other Parties in writing. All notices and submissions shall be considered effective upon receipt, unless otherwise provided. Except as otherwise provided in this Settlement Agreement, written notice as specified herein shall constitute complete satisfaction of any written notice requirement in the Settlement Agreement with respect to the United States, the Commissioner, and the Debtors, respectively.

32. This Settlement Agreement shall be subject to approval of the Bankruptcy Court.

The Debtors shall promptly seek approval of this Settlement Agreement under Bankruptcy Rule 9019 or applicable provisions of the Bankruptcy Code.

33. This Settlement Agreement shall be lodged with the Bankruptcy Court and shall thereafter be subject to a period of public comment following publication of notice of the Settlement Agreement in the *Federal Register*. The public comment period provided for in this Paragraph may run concurrently with any notice period required pursuant to Bankruptcy Rule 2002 or applicable local rule in connection with judicial approval of the Settlement Agreement pursuant to the preceding Paragraph.

34. After the period for public comment, the United States will file with the Bankruptcy Court any comments received, as well as the United States' responses to the comments. At that time, if appropriate, the United States will request approval of the Settlement Agreement. The United States reserves the right to withdraw or withhold its consent to this Settlement Agreement if the public comments regarding it disclose facts or considerations which indicate that it is not in the public interest.

35. If for any reason (i) the Settlement Agreement is withdrawn by the United States as provided in Paragraph 34, or (ii) the Settlement Agreement is not approved, or (iii) the Plan of Reorganization is amended to provide for non-cash distributions to Governmental Units with allowed claims for Debtor liabilities under environmental law, or (iv) the Bankruptcy Cases are dismissed or converted to cases under Chapter 7 of the Bankruptcy Code before the effective date of the Plan: (a) this Settlement Agreement shall be null and void and the Parties shall not be bound hereunder or under any documents executed in connection herewith; (b) the Parties shall have no liability to one another arising out of or in connection with this Settlement Agreement or under any documents executed in connection herewith; and (c) this Settlement Agreement and any documents prepared in connection herewith shall have no residual or probative effect or value, and it shall be as if they had never been executed.

XX. PLAN OF REORGANIZATION

36. The Debtors shall not amend the Plan of Reorganization in a manner inconsistent with the terms and provisions of this Settlement Agreement, or take any other action in the Bankruptcy Cases that is inconsistent with the terms and provisions of this Settlement Agreement. The Debtors shall timely serve the Settling Federal Agencies and the Commissioner with any motion to amend the Plan after its confirmation. The Settling Federal

Agencies and the Commissioner shall not oppose any term or provision of the Plan that is addressed by and consistent with this Settlement Agreement. The Parties reserve all other rights and defenses they may have with respect to the Plan.

XXI. INTEGRATION, AMENDMENTS, AND EXECUTION

This Settlement Agreement may not be amended except by a writing signed by all Parties.

38. This Settlement Agreement may be executed in counterparts, each of which shall constitute an original, and all of which shall constitute one and the same agreement.

XXII. RETENTION OF JURISDICTION

39. Except as provided in Paragraph 8 (Non-Dischargeability/Reservation Regarding Debtor-Owned/Operated Sites) and Section XVI (Laurel Park Site) regarding proceedings in other administrative or judicial tribunals, the Court (or, upon withdrawal of the Court's reference, the United States District Court for the Southern District of New York) shall retain jurisdiction over the subject matter of this Settlement Agreement and the Parties for the duration of the performance of the terms and provisions of this Settlement Agreement for the purpose of enabling any of the Parties to apply to the Court at any time for such further order, direction, and relief as may be necessary or appropriate for the construction or interpretation of this Settlement Agreement or to effectuate or enforce compliance with its terms.
