ORDER AND STIPULATION AMONG CERTAIN DEBTORS, THE UNITED STATES OF AMERICA, THE COMMONWEALTH OF PENNSYLVANIA, THE STATE OF OHIO, THE STATE OF INDIANA, THE CITY OF CHICAGO AND TRAVELERS INDEMNITY COMPANY AND TRAVELERS CASUALTY AND SURETY COMPANY WITH RESPECT TO ENVIRONMENTAL CLAIMS

Background of Debtors' Bankruptcy

1. On December 29, 2000 (the "Petition Date"), Debtor LTV Steel Company, Inc. ("LTV Steel") and 48 of its affiliates (collectively, the "Original Debtors") commenced their respective reorganization cases by filing voluntary petitions for relief under chapter 11 of the Bankruptcy Code, 11 U.S.C. §§ 101-1330 (the "Bankruptcy Code"). On February 8, 2002, two additional Debtors, LTV Sales Finance Company and LTV Steel Products, LLC, commenced their respective chapter 11 cases (collectively, the "New Debtors" and, together with the Original Debtors, the "Debtors"). By orders entered on the Petition Date and March 26, 2002, the Debtors' chapter 11 cases have been consolidated for procedural purposes only and are being administered jointly in the United States Bankruptcy Court for the Northern District of Ohio (the "Bankruptcy Court").
2. The Debtors are continuing in possession of their respective properties as debtors in possession, pursuant to sections 1107 and 1108 of the Bankruptcy Code.
3. On January 10, 2001, the Office of the United States Trustee (the "U.S. Trustee") appointed a statutory committee of unsecured creditors in Debtors' chapter 11 cases,

pursuant to section 1102 of the Bankruptcy Code. On January 19, 2001, the U.S. Trustee appointed a statutory committee of noteholders in the Debtors' chapter 11 cases, pursuant to section 1102 of the Bankruptcy Code. On February 25, 2003, the U.S. Trustee appointed a committee of administrative creditors in the Debtors' chapter 11 cases, pursuant to section 1102(a) of the Bankruptcy Code.

4. The Bankruptcy Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2).
5. Debtor, The LTV Corporation ("LTV"), a Delaware corporation, is the direct parent of LTV Steel and the direct or indirect parent of each of the other Debtors.
6. As of the Petition Date, the Debtors operated through two primary business segments: (a) the integrated steel business segment, which engaged in the manufacture and sale of a diversified line of carbon flat-rolled steel products consisting of hot-rolled and cold-rolled sheet and galvanized products (the "Integrated Steel Business"); and (b) the metal fabrication business segment, which engaged in, among other things, the manufacture and sale of (i) mechanical and structural tubular products; (ii) pipe and conduit; (iii) bimetallic wire; (iv) automotive components; and (v) prefabricated metal buildings (the "Metal Fabrication Business").
7. By Orders entered on December 7, 2001 and August 30, 2002, the Bankruptcy Court authorized the Debtors to implement an asset protection plan (the "APP") through and including December 13, 2002 (the "APP Period") to effect the orderly cessation of operations for, and the sale of assets of, the Debtors' Integrated Steel Business. By an order dated February 28, 2002, the Bankruptcy Court approved the sale of substantially all of the assets of the Integrated Steel Business (the "Integrated Steel Sale") to WLR Acquisition Co. n/k/a International Steel Group, Inc. ("ISG"). The closing of the Integrated Steel Sale transactions occurred on April 12, 2002 (for the hard assets) and May 13, 2002 (for the inventory).
8. In seeking the Bankruptcy Court's approval of the Debtors' implementation of the APP,

the Debtors indicated that they anticipated spending up to approximately \$25 million on environmental matters as to which the Debtors expected to have affirmative obligations to address during the APP Period with respect to the Integrated Steel Business. The Debtors further indicated that these environmental expenditures would be made from the general funds which the Debtors were seeking to have made available to them for the purpose of funding all the requirements of the APP and not from any reserve fund established for such expenditures. Through May 18, 2003, the Debtors made approximately \$11.4 million in environmental expenditures for the Integrated Steel Business and expect to make additional environmental expenditures in the amount of approximately \$300,000 through the date that this Order and Stipulation is anticipated to be approved by the Bankruptcy Court. The total environmental expenditures that the Debtors will have made will be less than the anticipated \$25 million, largely because the Integrated Steel Sale occurred relatively early in the APP Period and the purchaser assumed all environmental liabilities at the facilities which were sold.

9. As part of the APP, a Government Regulation Reserve (the "GRR") in the amount of \$25 million was established. The purpose of the GRR has been to provide a source of funds for satisfying governmental requirements not specifically contemplated in connection with the implementation of the APP, including any environmental expenditures not anticipated in the \$25 million referred to in paragraph 8 above. Pursuant to an order of the Bankruptcy Court, an amount of \$2,187,570.00 has been withdrawn from the GRR in connection with a settlement entered into with the New York State Department of Environmental Conservation, the City of Buffalo, New York and the City of Buffalo Urban Renewal Agency, leaving a balance of \$23,213,933.67, including interest, as of May 31, 2003. Pursuant to this Order and Stipulation, \$14,146,253 will be withdrawn from the GRR and paid in accordance with joint written instructions ("Written Instructions") to be furnished by the governmental entities which are parties hereto, namely, the United States, the Commonwealth of Pennsylvania, the States of Ohio and

Indiana, and the City of Chicago (collectively, the “Governments”).

10. In addition to the Integrated Steel Sale, pursuant to which, *inter alia*, LTV Steel’s Cleveland, Ohio Works, Indiana Harbor Works in East Chicago, Indiana and Hennepin, Illinois Works were sold, other portions of the Integrated Steel Business and idled facilities such as the Chicago, Illinois coke plant and the industrial sites in Campbell, Ohio, Aliquippa, Pennsylvania and Pittsburgh, Pennsylvania have been sold. Also, on December 31, 2002, pursuant to an order entered by the Bankruptcy Court, certain of the Debtors closed the sale of the LTV Tubular business (the “LTV Tubular Business”) to Maverick Tube Corporation. The several purchasers have assumed the environmental obligations existing at all these facilities, and nothing in this Order and Stipulation shall affect those obligations.
11. On February 11, 2003, the Bankruptcy Court approved an order authorizing LTV Steel to implement a process for winding down its estate (the “Winddown Order”).
12. LTV Steel has discussed with the Governments its financial circumstances and the nature and extent of its environmental obligations.

LTV’s Insurance Assets

13. LTV entered the steel business with its acquisition of Jones & Laughlin Steel Corporation (“Jones & Laughlin”) in 1968. In 1978 and 1984, LTV expanded its steel operations with the acquisition, first, of Youngstown Sheet & Tube Company (“YS&T”) and, thereafter, of Republic Steel Corporation (“Republic Steel”). In 1984, Jones & Laughlin, into which YS&T had been previously merged, was merged with and into Republic Steel to form LTV Steel. LTV, LTV Steel and their predecessor companies acquired substantial insurance coverage for the operations of the steel business.
14. On June 30, 2000, Travelers Indemnity Company and Travelers Casualty and Surety Company, f/k/a The Aetna Casualty and Surety Company (collectively “Travelers”), LTV, LTV Steel and certain other Debtors entered into a Settlement, Compromise and

Release Agreement (the “Travelers Agreement”). The Travelers Agreement provides that Travelers will make certain funds available to reimburse LTV Steel for certain environmental expenditures at facilities formerly owned and operated by Republic Steel and its subsidiaries, subject to certain funding caps.

15. Presently, LTV Steel is engaged in and intends to initiate additional discussions with insurers other than Travelers that insured and reinsurers that reinsured facilities formerly owned and operated by Jones & Laughlin, YS&T and Republic, and their subsidiaries. The purpose of these discussions is to determine the possibility of settling environmental claims which the Debtors have and anticipate having against these insurers and reinsurers (the “Insurance Settlement Discussions”).

Environmental Claims

16. The Governments have asserted that the Debtors listed in Exhibit A hereto (the “LTV Debtors”) bear legal responsibility to the Governments under various federal, state and local environmental statutes, rules, regulations and ordinances for liquidated and non-liquidated, contingent and non-contingent, general unsecured, priority and administrative environmental claims, and may, in the future, assert that the LTV Debtors bear legal responsibility to the Governments under such statutes, rules, regulations and ordinances for other environmental claims (collectively, the “Environmental Claims”)¹. Further, the Governments have asserted that the Environmental Claims total in excess of several hundred million dollars. The Environmental Claims include the following:

- (a) J&L Landfill (Superfund Site); Rochester Hills, Michigan

The J&L Landfill is owned by LTV Steel and was used for the disposal of wastes by LTV Steel’s predecessors. The Landfill has been closed by LTV Steel pursuant to the Comprehensive Environmental Response, Compensation, and

¹ In any instance where more than one governmental entity included in the Governments has claims related to the same site or circumstances, the Governments agree that their claims shall not be duplicative.

Liability Act of 1980 (“CERCLA”). U.S. EPA-Region V asserts that it has incurred costs which are reimbursable under CERCLA in performing past response actions at the site and that ground water monitoring, well replacement and other operating and maintenance costs will be incurred in the future.

(b) Abby Street/Hickory Woods Subdivision Site; Buffalo, New York

On May 31, 2000, U.S. EPA-Region II, pursuant to its authority under CERCLA, issued an Administrative Order on Consent to LTV Steel and other responsible parties dealing with the removal of contaminated soils in vacant lots located on property previously owned by and/or adjacent to LTV Steel’s iron, steel and coke making operations in Buffalo, New York.

(c) Grand Calumet River/Indiana Harbor Canal Riparian Site

The United States and Indiana have asserted that LTV Steel and others are liable under the Federal Water Pollution Control Act (the “Clean Water Act”), CERCLA and the National Contingency Plan for damages for injury to, destruction of, or loss of natural resources belonging to, managed by, held in trust by, controlled by or appertaining to the United States and Indiana, as trustees for those resources, including the costs of assessing such injury, resulting from releases of hazardous substances and/or oil into the Grand Calumet River/Indiana Harbor Canal riparian site.

(d) Breslube-Penn Site; Moon Township, Pennsylvania

LTV Steel has been identified by U.S. EPA as a potentially responsible party at the Breslube-Penn Site in Moon Township, Pennsylvania and, allegedly, to have liability under CERCLA at the Site. In addition, LTV Steel is a defendant in the case of the *United States of America v. Allegheny Ludlum, et al., Civil No. 97-1863, United States District Court for the Western District of Pennsylvania* (the “Breslube-Penn Case”), which is a cost recovery action filed by the United States with respect to the Breslube-Penn Site.

(e) Chemical Recovery Systems Site; Elyria, Ohio

LTV Steel has been identified by U.S. EPA as a potentially responsible party at the Chemical Recovery Systems Site in Elyria, Ohio and, allegedly, to have liability under CERCLA at the Site.

(f) Four County Landfill Site; Fulton County, Indiana

LTV Steel has been identified by U.S. EPA as a potentially responsible party at the Four County Landfill Site in Fulton County, Indiana and, allegedly, to have liability under CERCLA at the Site. On September 5, 2002, LTV Steel executed a Stipulation of Settlement and Order of Dismissal between the United States of America and LTV Steel Company (“Four County Settlement”) in the case of *United States of America v. American Standard, Inc., et al.*, Civil No. 3:01CV0513RM, United States District Court for the Northern District of Indiana, South Bend Division (the “Four County Case”), pursuant to which LTV Steel agreed to the entry of a judgment against it in settlement of the United States’ claim for the recovery of certain past response costs under Section 107 of CERCLA.

(g) Indiana Harbor Works; 3001 Dickey Road, East Chicago, Indiana

Pursuant to an administrative Consent Agreement and Final Order (the “Indiana Harbor CAFO”), dated March 15, 2002, LTV Steel has agreed to pay a specified civil penalty to resolve certain claims of U.S. EPA-Region V arising out of the alleged release of polychlorinated biphenyls in violation of the Toxic Substances Control Act (“TSCA”).

(h) Grand River, Ohio Lime Plant

Pursuant to an administrative Consent Agreement and Final Order dated February 13, 2001 (the “Grand River CAFO”), LTV Steel has agreed to pay a specified civil penalty to resolve certain claims of U.S. EPA-Region V relating to the Ohio State Implementation Plan, Ohio Administrative Code 3745-17-07(A)(1)

pursuant to the Clean Air Act.

(i) Superfund Sites

LTV Steel has been identified as a potentially responsible party under CERCLA at the sites set forth in Exhibit B hereto.

(j) Chapter 11 Settlement Agreements

In 1993, certain of the LTV Debtors (the “Settling Debtors”), in their prior proceedings for reorganization under Chapter 11 in the United States Bankruptcy Court for the Southern District of New York, entered into environmental settlement agreements with the United States, the Commonwealth of Pennsylvania and the States of Ohio and Indiana. These settlement agreements, *inter alia*, dealt with the Settling Debtors’ liabilities at a number of CERCLA sites and impose certain post-confirmation liabilities on the Settling Debtors.

(k) Pennsylvania Coal Mines

On March 7, 2002 and March 27, 2002, respectively, the Pennsylvania Department of Environmental Protection (“PADEP”) issued an administrative order and subsequent amendment thereto (collectively, “the Coal Mine Order”) with respect to the coal mining sites listed below requiring LTV Steel to perform the work indicated:

(i) **Banning Mine, Westmoreland County; Clyde Mine, Washington County; Russellton Mine, Allegheny County.** The Coal Mine Order requires LTV Steel to continuously maintain the mine pools in the mines at levels required to prevent mine water break-outs, or, in the alternative, create another remedy satisfactory to PADEP for the perpetual maintenance of the mine pools at acceptable levels.

(ii) **Russellton Coal Refuse Pile, Allegheny County.** The Coal Mine Order requires LTV Steel to continue the collection and treatment of the surface seeps from the Russellton coal refuse pile or, in the alternative, create

another remedy satisfactory to PADEP for the collection and treatment of the surface seeps. On November 4, 2002, PADEP issued a Permit Suspension and Notice of Intent to Forfeit Bonds (the “Russellton Permit Suspension”). On January 23, 2003, PADEP issued a notice of bond forfeiture with respect to American Casualty Company of Reading, Pennsylvania Surety Bond No. 924 17 52 (the “Russellton Bond Forfeiture”).

- (iii) **Nemacolin Mine, Greene County.** The Coal Mine Order requires LTV Steel to: (A) extinguish the fire burning in the Nemacolin coal refuse pile and reclaim the site; and (B) continue the collection and treatment of the surface seeps or, in the alternative, create another remedy satisfactory to PADEP for the collection and treatment of the surface seeps. On June 29, 2002, PADEP issued a Compliance Order alleging that LTV Steel had violated the Coal Mine Order at the Nemacolin Mine (the “Compliance Order”), and on July 1, 2002, notified LTV Steel that a preliminary evaluation of the alleged violations indicated that LTV Steel would be subject to a minimum civil penalty of \$750.00 per day for each day the alleged violations remained uncorrected (the “Notification”). On November 4, 2002, PADEP issued a Permit Suspension and Notice of Intent to Forfeit Bonds (the “Nemacolin Permit Suspension”). On January 23, 2003, PADEP issued a notice of bond forfeiture with respect to a collateral bond of LTV Steel (the “Collateral Bond Forfeiture”) and Travelers’ Surety Bond No. 18 S 74254 (the “Travelers’ Bond Forfeiture”).

(l) Pennsylvania Industrial Sites

On March 7, 2002, PADEP issued an administrative order with respect to the industrial sites listed below (the “Industrial Sites Order”) that requires LTV Steel

 - (E) **Oily Material on Bank of Ohio River in Front of Central Pump House.** The Industrial Sites Order requires removal of the oily material.
 - (F) **Sludge Material in Ohio River Adjacent to Former Tin Mill.** The Industrial Sites Order requires removal of the sludge material.

LaSalle Bank National Association, solely in its capacity as trustee of Trust number 118069-08 (dated March 15, 1994), Donald Schroud and LTV Steel Company, Inc.* (the “Chicago Case”). The case is pending in the Circuit Court of Cook County, Illinois, County Department, Chancery Division. Prior to the Petition Date, the City of Chicago sued LTV Steel, Donald Schroud, the current owner of certain property purchased from LTV Steel, and LaSalle Bank National Association, seeking an injunction compelling LTV Steel and the other defendants to, among other things, remediate the property or, in the alternative, pay damages sufficient to remediate the property.

(o) SOFA Listings

Exhibit C to this Stipulation is a copy of the Debtors’ response to Item 17 in the SOFA filed by it with the Bankruptcy Court. Listed in the response are the name and address of every known site for which one of the Debtors or a predecessor received notice in writing by a governmental unit that it may be liable or potentially liable under, or in violation of, an environmental law or for which one of the Debtors, or a predecessor, provided notice to a governmental unit of a release of hazardous materials.

Order and Stipulation

17. The LTV Debtors and the Governments hereby stipulate, and this Court finds and concludes, that the Environmental Claims set forth above are accurately reported herein to the best of the LTV Debtors' actual knowledge and, further, that administrative claims asserted by the Governments in the Environmental Claims reflect claims concerning the protection of the public and the environment. The LTV Debtors and the Governments also stipulate that the total amount of the administrative claims included in the Environmental Claims is in excess of the total amount of the funds to be paid the Governments as set forth below. Further, the LTV Debtors and the Governments recognize, and this Court finds and concludes, that protracted litigation of the LTV Debtors' potential liabilities with respect to each of the Environmental Claims would be costly and time-consuming and would further diminish the assets of the estates of the LTV Debtors otherwise available to satisfy claims, including the Environmental Claims, and perform environmental work in connection with the LTV Debtors' obligations. Further, LTV and LTV Steel have substantial insurance assets to help defray the costs relating to the Environmental Claims. Accordingly, without any further adjudication of fact or law, and in order to resolve the Environmental Claims in the manner set forth

herein, the LTV Debtors and the undersigned Governments and Travelers stipulate, and this Court finds, concludes, and orders that the Environmental Claims shall be compromised and resolved in accordance with paragraphs 18 through 43 hereof.

18. Without any further adjudication of fact or law, and in order to resolve the Environmental Claims against the LTV Debtors in the manner set forth herein, the LTV Debtors, Travelers, and the Governments agree as follows:

- (a) This Order and Stipulation shall become effective and shall be binding on the parties hereto immediately upon its entry by the Bankruptcy Court (the "Effective Date"). The parties hereto are authorized to consummate the actions and transactions contemplated herein on and after the Effective Date provided that this Order and Stipulation has not been stayed by an order of a court of competent jurisdiction.
- (b) By no later than thirty (30) days following the Effective Date, and subject to the provisions of subparagraph 18(a), LTV Steel shall transfer \$14,146,253 from the GRR to the Governments in accordance with the Written Instructions.
- (c) The LTV Debtors hereby assign to the Governments all net proceeds to which the LTV Debtors are entitled pursuant to the Insurance Settlement Discussions in accordance with a Revised Fee Agreement with counsel and an ISG Fee Agreement described in a November 12, 2002 order of the Bankruptcy Court (the "Insurance Fee Agreements"), or if the Insurance Settlement Discussions are not successful, the net proceeds to be paid to the LTV Debtors as a result of any ensuing coverage litigation. Such net proceeds shall be disbursed to the Governments in accordance with the Written Instructions.
- (d) The LTV Debtors shall continue to diligently pursue the recovery of insurance proceeds from insurers other than Travelers and reinsurers through the Insurance Settlement Discussions or by coverage litigation. The Governments acknowledge that the LTV Debtors have to date diligently pursued the recovery of such

proceeds through the Insurance Settlement Discussions pursuant to the Insurance Fee Agreements. In the event that the Insurance Settlement Discussions or any ensuing litigation continues following the completion by the LTV Debtors of all activities contemplated by the Winddown Order, such LTV Debtors as have rights under the policies that are the subject of the Insurance Settlement Discussions or ensuing litigation shall provide an entity, which is mutually acceptable to the Governments and the LTV Debtors, that succeeds to such rights in order to continue the diligent pursuit of the Insurance Settlement Discussions or any ensuing litigation, with any recovered proceeds to be paid in accordance with subparagraph 18(c) above.

- (e) By no later than 30 days following the Effective Date, and subject to the provisions of subparagraph 18(a), Travelers shall pay the sum of Fifteen Million, Four Hundred Thousand Dollars (\$15,400,000) to the Governments in accordance with the Written Instructions.
 - (f) The United States shall have an allowed general unsecured claim against LTV Steel in an amount equal to the total amount of all the claims referred to in paragraphs 16 (a) through (h) above, minus the total amount of all payments made to the United States pursuant to this Order and Stipulation; provided, however, that LTV Steel reserves all of its rights to challenge the magnitude of such claims.
19. (a) Promptly following the Effective Date, LTV Steel shall transfer to the Clean Streams Foundation for the benefit of the Commonwealth of Pennsylvania by quit claim deed in the form of Exhibit D hereto, free and clear of all liens, its entire ownership in the mine properties referred to in paragraph 16(k) and its ownership in all of the equipment at those mine properties (the "Mine Property Transfer"). LTV Steel and the Commonwealth of Pennsylvania shall cooperate in order to facilitate the transfer of the responsibilities for the mine properties from LTV Steel to the Commonwealth of Pennsylvania.

- (b) The Governments agree that they shall not object to or oppose the disposition by LTV Steel of all of its interests in the Midland Landfill, the Essex Property, the J&L Landfill, and the real property that it owns in Allegheny, Beaver, Greene, Washington and Westmoreland Counties in Pennsylvania, the ownership of which is not being transferred to the Commonwealth of Pennsylvania pursuant to paragraph 19(a) above.
 - (c) Pursuant to this Order and Stipulation, the United States will be receiving funding towards post-remedial activities for the J&L Landfill.
 - (d) Pursuant to this Order and Stipulation, the Commonwealth of Pennsylvania will be receiving funding towards remedial and post-remedial activities for the Midland Landfill.
20. (a) Subject to the LTV Debtors' compliance with the terms of this Order and Stipulation, each of the Governments shall be deemed as of the Effective Date to have resolved the Environmental Claims against the LTV Debtors in the manner set forth herein.
- (b) LTV Steel and/or Travelers have filed with the Pennsylvania Environmental Hearing Board ("EHB") appeals of the Coal Mine Order, the Industrial Sites Order, the Compliance Order and associated Notification, the Russellton Permit Suspension, the Russellton Bond Forfeiture, the Nemaocolin Permit Suspension, the Collateral Bond Forfeiture and the Travelers' Bond Forfeiture, which appeals are pending at EHB Docket Nos. 2002-084-R, 2002-174-R, 2002-314-R, 2002-315-R, 2003-050-R and 2002-056-R (collectively the "Hearing Board Appeals"). Within fifteen (15) days after the Mine Property Transfer, LTV Steel and Travelers shall withdraw their Hearing Board Appeals. As of the Effective Date, the Commonwealth of Pennsylvania shall no longer seek to enforce against LTV Steel or Travelers the requirements which are the subjects of the Hearing Board Appeals, and Travelers Surety Bond No. 18 S 74254, and any other Travelers

surety bond at issue in the Hearing Board Appeals shall be deemed released by the Commonwealth of Pennsylvania.

- (c) Within fifteen (15) days after the Effective Date, Chicago shall dismiss with prejudice the Chicago Case as to LTV Steel.
 - (d) As of the Effective Date, the Bankruptcy Court approves LTV Steel's entry into each of the Indiana Harbor CAFO, the Grand River CAFO and the Four County Settlement. The United States shall not oppose the dismissal with prejudice of the claims against LTV Steel in the Breslube-Penn Case.
 - (e) As of the Effective Date, the State of Ohio shall be deemed to have withdrawn with prejudice with respect to the LTV Debtors its Request of Ohio Director of Environmental Protection for Allowance of Administrative Expense or in the Alternative for an Order requiring Compliance with Environmental Laws, filed May 20, 2002 and assigned Docket No. 3754 in these cases.
 - (f) As of the Effective Date, Travelers shall be deemed to have withdrawn with prejudice with respect to the LTV Debtors the following proofs of claim that Travelers filed in these cases: Claim Nos. 3666, 3691, and 4182.

21. All payments due pursuant to this Order and Stipulation shall be made by electronic funds transfer in accordance with directions in the Written Instructions.
22. (a) The United States through the United States Department of Justice, on behalf of the Department of the Interior ("DOI"), Environmental Protection Agency ("EPA"), and the National Oceanic and Atmospheric Administration ("NOAA") (collectively the "U.S. Environmental Agencies"), covenants not to sue and shall

forebear from bringing any civil administrative or judicial claim, demand, order, directive, suit, action or proceeding against the LTV Debtors relating to the claims referred to in subparagraphs 16(a) through (h) above. The U.S. Environmental Agencies further covenant not to sue and shall forbear from bringing any civil administrative or judicial claim, demand, order, directive, suit, action or proceeding against the LTV Debtors' past and present officers, directors, and employees (i) relating to the claims referred to in subparagraphs 16(a) through (h) above, but only to the extent that the alleged liability of the officer, director or employee is based on his or her status and in his or her capacity as officer, director or employee of an LTV Debtor, and (ii) relating to the claims referred to in subparagraphs 16(i) through (p) above, but only to the extent that (A) the alleged liability of the officer, director or employee is based on his or her status and in his or her capacity as officer, director or employee of an LTV Debtor and (B) the LTV Debtors' officer, director, or employee is a named insured, additional named insured or otherwise insured under any general liability insurance policies of the LTV Debtors. The covenants not to sue in this subparagraph do not extend to any other person and, in the event of the sale of any property by any of the LTV Debtors to any person other than an LTV Debtor, do not extend to any liability that any such person would be subject to as the owner or operator of the property after the date of sale.

- (b) In addition to the foregoing covenants not to sue, the U.S. Environmental Agencies represent that they will not initiate or pursue any other civil administrative or judicial claim, demand, order, directive, suit, action or proceeding against the LTV Debtors pursuant to any federal, state or local law having to do with the protection of public health, natural resources, and/or the environment ("Environmental Laws"). The signatories on behalf of the United States are not aware of any plans by the U.S. Environmental Agencies to bring

any civil claims under CERCLA or RCRA against any individual based on his or her acts or omissions in his or her capacity as an officer, director or employee of the LTV Debtors. These representations do not extend to any other person and, in the event of the sale of any property by any of the LTV Debtors to any person other than an LTV Debtor, do not extend to any liability that any such person would be subject to as the owner or operator of the property after the date of sale.

- (c) The U.S. Environmental Agencies offer the foregoing covenants not to sue and related representations to the LTV Debtors and their officers, directors and employees based upon the limited assets of the LTV Debtors' estates, the Insurance Settlement Discussions, the fact that the LTV Debtors will cease to exist post-bankruptcy, and other unique circumstances of the LTV Debtors' bankruptcy cases.
- (d) The U.S. Environmental Agencies covenant not to sue and shall forbear from bringing any civil administrative or judicial claim, demand, order, directive, suit, action or proceeding against Travelers, their subsidiaries, affiliates, parent companies, successors and assigns or their respective officers, directors, and employees (i) based on or arising from the Travelers Agreement, any and all policies of insurance, known and unknown, under which the LTV Debtors, and/or their officers, directors, or employees are named insureds, additional named insureds or are otherwise insured, or any surety bonds issued by Travelers for the account of any of the LTV Debtors ("LTV Policies"), and (ii) relating to the alleged liability of the LTV Debtors and/or their officers, directors or employees under any Environmental Laws.
- (e) In the event that the LTV Debtors enter into settlements with other insurers or reinsurers as a result of the Insurance Settlement Discussions, the U.S. Environmental Agencies agree that the covenant not to sue set forth in subparagraph 22(d) above shall also apply to such other settling insurers and

reinsurers and their officers, directors, and employees, subject to the approval by the U.S. Environmental Agencies of such settlements and provided that such insurers or reinsurers agree to extend to the United States the covenant not to sue set forth in subparagraph 23(b) below.

23. (a) The LTV Debtors covenant not to sue and shall forebear from bringing any claims or causes of action against the United States with respect to any of the sites referred to in this Order and Stipulation and the exhibits hereto (the "Identified Sites"), including, but not limited to, any direct or indirect claim for reimbursement from the Hazardous Substance Superfund (established pursuant to the Internal Revenue Code, 26 U.S.C. § 9507) through CERCLA Sections 106(b)(2), 111 or 112 or any other provision of law, any claim against any department, agency or instrumentality of the United States related to the Identified Sites or any claims arising out of response activities at the Identified Sites.
 - (b) Travelers covenants not to sue and shall forebear from bringing any claims or causes of action against the United States based on the Travelers Agreement or the LTV Policies and with respect to any of the Identified Sites, including, but not limited to, any direct or indirect claim for reimbursement from the Hazardous Substance Superfund (established pursuant to the Internal Revenue Code, 26 U.S.C. § 9507) through CERCLA Sections 106(b)(2), 111 or 112 or any other provision of law, any claim against any department, agency or instrumentality of the United States related to the Identified Sites or any claims arising out of response activities at the Identified Sites.
24. (a) The Commonwealth of Pennsylvania, the States of Ohio and Indiana, and the City of Chicago hereby release the LTV Debtors and each of their respective officers, directors, agents, employees, shareholders, secured creditors and their successors and assigns, from all civil administrative or judicial claims, demands, actions,

proceedings, suits, orders and directives, known or unknown, foreseen or unforeseen, pursuant to all federal statutes and regulations, state statutes and regulations and local or municipal ordinances, regulations or rules, and any police powers and any theory of common law having to do with the protection of public health, natural resources, and/or the environment, for any liabilities, response costs, response actions, property damage, damages, losses, injuries, injunctive relief, remedies, oversight or administrative costs, fines, penalties, or other costs and expenses previously incurred or which may be incurred in the future at any of the sites referred to in this Order and Stipulation and the exhibits hereto and any other site (the "LTV Sites"). This release does not extend to any liability that any person other than an LTV Debtor would be subject to as the owner or operator of any property purchased from an LTV Debtor.

- (b) The Commonwealth of Pennsylvania, the States of Ohio and Indiana, and the City of Chicago hereby release Travelers, their subsidiaries, affiliates, parent companies, successors and assigns, and their respective officers, directors, employees, shareholders, secured creditors, and each of their successors and assigns, from all civil administrative or judicial claims, demands, actions, proceedings, suits, orders and directives, known or unknown, foreseen or unforeseen, pursuant to all federal statutes and regulations, state statutes and regulations and local or municipal ordinances, regulations or rules, and any police powers and any theory of common law having to do with the protection of public health, natural resources, and/or the environment, for any liabilities, response costs, response actions, property damage, damages, losses, injuries, injunctive relief, remedies, oversight or administrative costs, fines, penalties, or other costs and expenses previously incurred or which may be incurred in the future at any of the LTV Sites based upon or arising from the Travelers Agreement or the LTV Policies.

- (c) In the event that the LTV Debtors enter into settlements with other insurers or reinsurers as a result of the Insurance Settlement Discussions and obtain the approval of the Bankruptcy Court for such settlements, the Commonwealth of Pennsylvania, the States of Ohio and Indiana, and the City of Chicago agree that the releases set forth in subparagraph 24(b) above shall also apply to such other settling insurers or reinsurers and their respective officers, directors, agents, employees, shareholders, secured creditors and their successors and assigns. The LTV Debtors shall provide the above-listed governments with reasonable prior notice of and an opportunity to comment on such settlements, and shall submit all proposed settlements to the Bankruptcy Court for approval.
 - (d) Notwithstanding anything in this paragraph 24 or elsewhere in this Order and Stipulation, the Commonwealth of Pennsylvania is not releasing American Casualty Company of Reading Pennsylvania from any obligation it may have pursuant to the surety bond which is the subject of the Russellton Bond Forfeiture.
25. (a) Except with respect to Travelers' obligations pursuant to this Order and Stipulation and the Buffalo Escrow Agreement, Travelers shall have no further duties or obligations to provide insurance reimbursement of any nature or have any other obligations whatsoever in respect of the LTV Debtors' interests in or obligations with respect to the LTV Sites and, to the extent permitted by applicable law, to any other person or entity, with respect to the insurance policies that are the subject of the Travelers Agreement.
- (b) In the event that the LTV Debtors enter into settlements with other insurers or reinsurers as a result of the Insurance Settlement Discussions and obtain the approval of the Bankruptcy Court for such settlements, each such settling insurer or reinsurer, upon satisfaction of all of its obligations under such settlement, shall have no further duties or obligations to provide insurance reimbursement of any

nature or have any other obligations whatsoever in respect of the LTV Debtors' interests in or obligations with respect to the LTV Sites and, to the extent permitted by applicable law, to any other person or entity, with respect to the insurance policies that are the subject of the settlement.

26. (a) Nothing herein shall be deemed to affect or limit in any way any rights, claims, causes of action, or entitlements that the LTV Debtors and/or the Governments have or may have to seek and obtain payment for the full amount of the Environmental Claims from any insurer or reinsurer that fails to settle with LTV pursuant to the Insurance Settlement Discussions. By way of illustration only and without limitation, the payments by the LTV Debtors to the Governments under this Order and Stipulation shall not affect or limit in any way any rights, claims, causes of action, or entitlements that the LTV Debtors and/or the Governments have or may have to seek and obtain payment for the full amount of the Environmental Claims from any insurer or reinsurer that fails to settle with LTV pursuant to the Insurance Settlement Discussions.
- (b) Nothing herein shall be deemed a waiver of any rights, claims, causes of action, or entitlements that the LTV Debtors have or may have to seek and obtain contribution, indemnification, payment, or any other entitlement from other third parties (including, but not limited to, other potentially responsible parties and their insurers).
- (c) In any future action brought by the LTV Debtors against a potentially responsible party under CERCLA or corresponding laws of the states or local municipalities included in the Governments, the provisions of 42 USC 9613(f)(3) and corresponding provisions of the laws of the states or local governments included in the Governments shall apply.
- (d) With regard to claims for contribution against the LTV Debtors, the Governments agree that the LTV Debtors are entitled to such protection from contribution

actions or claims as is provided by applicable statutes including, but not limited to, Section 113(f)(2) of CERCLA, 42 U.S.C. §9613(f)(2).

- (e) The LTV Debtors each agree that, with respect to any claim for contribution first brought against it after the Effective Date for matters related to this Order and Stipulation, it will notify the Governments within ten days of service of the complaint upon it. In addition, in connection with such claim, the respective LTV Debtor shall notify the Governments within ten days of service or receipt of any Motion for Summary Judgment and within ten days of receipt of any order from a court setting a case for trial.
- (f) LTV Steel hereby warrants that, except for those rights assigned pursuant to the Buffalo Escrow Agreement and related documents, it continues to hold all rights to the insurance proceeds arising from the Travelers Agreement to which it was entitled as of the effective date of the Travelers Agreement.
- (g) The covenants and representation set forth in subparagraphs 22(a) through (e) and the releases set forth in subparagraphs 24(a) and (b) do not pertain to any matters other than those expressly specified therein. The Governments reserve and this Order and Stipulation is without prejudice to their rights with respect to any:
 - (i) liability for failure to meet a requirement of this Order and Stipulation;
 - (ii) liability arising from any arrangement for disposal or treatment of hazardous wastes or substances that takes place after the Effective Date;
and
 - (iii) liability arising from any operations that take place after the Effective Date that result in a release of hazardous wastes or substances.
- (h) Without acknowledging that the Travelers Agreement is an executory contract subject to assumption or rejection under the Bankruptcy Code, LTV Steel hereby waives any right that it may have under the Bankruptcy Code to seek rejection of the Travelers Agreement.

27. Nothing in this Order and Stipulation shall be deemed to limit the information gathering authority of the United States.
28. This Order and Stipulation in no way impairs the scope and effect of any discharge that any of the LTV Debtors may receive under 11 U.S.C. §1141 as to any third parties.
29. The LTV Debtors agree to use their best efforts to obtain the approval of the Bankruptcy Court of this Order and Stipulation, to support it to other creditors in the LTV Debtors' bankruptcy cases, and to seek the affirmance of this Order and Stipulation if an appeal is taken. The Governments agree to support the LTV Debtors' efforts to obtain the approval of this Order and Stipulation by the Bankruptcy Court, to seek the affirmance of this Order and Stipulation if an appeal is taken, and to provide, to the extent it is appropriate and reasonable, documentation in support of the environmental expenditures and conditions in any hearing on this Order and Stipulation before this Court.
30. Notice of entry by the LTV Debtors and the Governments into this Order and Stipulation and its lodging with the Bankruptcy Court shall be published in the Federal Register and the United States shall receive comments for thirty (30) days following publication in accordance with 28 C.F.R. § 50.7. The United States reserves the right to withdraw or withhold its consent to this Order and Stipulation if the comments disclose facts or considerations which indicate that the Order and Stipulation is inappropriate, improper, or inadequate. The LTV Debtors and Travelers shall not be bound by or required to perform under this Order and Stipulation with respect to the United States unless and until the United States, following the expiration of this 30-day period, consents to and is bound by this Order and Stipulation. All other parties to this Order and Stipulation consent to entry without further notice.
31. The approval of the LTV Debtors' entry into this Order and Stipulation by the Bankruptcy Court shall be deemed to satisfy the requirement for filing by the Governments of a proof of claim, application for payment of an administrative expense or any other request, demand or filing for environmental claims and obligations and for the

disbursement to the Governments of funds as set out herein. No further proof of claim, application for administrative expense, any other request, demand or filing by the Government in respect of the Environmental Claims shall be required. Nothing contained herein shall affect the negotiated resolution of the claim for past civil penalties as allowed, general unsecured claims arising out of *United States, Allegheny County Health Department and Group Against Smog and Pollution v. LTV Steel Company, Inc.*, Civil No. 98-570; *United States v. LTV Steel Company, Inc.*, Civil No. 1: 98CV3012; the Four County Case; the Indiana Harbor CAFO; and the Grand River CAFO.

32. Except as specifically set forth herein, nothing in this Order and Stipulation shall be construed to create any rights in, or grant any cause of action to, any person not a party to this Order and Stipulation.
33. Whenever, under the terms of this Order and Stipulation, written notice is required to be given, or a report or other document is required to be sent by one party to another, it shall be directed to the individuals at the addresses specified below, unless those individuals or their successors have given notice of a change to the other parties in writing. All notices and submissions shall be considered effective upon receipt. Written notice as provided herein shall constitute complete satisfaction of any written notice requirement of the Order and Stipulation with respect to the Governments, Travelers and the LTV Debtors, respectively.
